Liechtenstein

We connect worlds. mobilkom liechtenstein

In September 2000, mobilkom liechtenstein AG, a wholly-owned subsidiary of mobilkom austria, went into operation.

At year-end 2008 mobilkom liechtenstein had a 19.6% market share against a background of a very competitive landscape. The mobile penetration rate in Liechtenstein in December 2008 was 87.4%.

Revenues grew to EUR 20.3 million.
