 Tel.: national: 059 059 1 - 0
 Tel.: International: (+43) 59 059 1-0

With Public Transportation:

From the City Center

To reach company headquarters from the city center take subway U1 in the direction of Kagran. Headquarters is located right at the exit of the station Vorgartenstraße (way out at Radingerstraße).

From the Airport

The train (Schnellbahn) line S7 (direction Wien Nord) stops at the station Praterstern/Wien Nord.

From there you can take the subway U1 (direction Kagran) one station to Vorgartenstraße (way out at Radingerstraße) or you can walk along the Lassallestraße; it will take about 8 minutes to reach company headquarters.

By Car:

From Highway A23 (Südost-Tangente)

Take the exit Handelskai and get into the lane in the direction of Klosterneuburg /Zentrum.

After approximately 3 km turn left in the direction of Zentrum / Prater. This takes you to the Lassallestraße. The building is on the right-hand side.

From Highway A1 (Westautobahn)

At the Knoten Steinhäusl (Steinhäusl junction) take a right onto highway A21, at Knoten Vösendorf take a left onto the A2 (Südost-Tangente) and follow instructions above.

From the Airport Highway A4

Coming from the A4, you turn right onto highway A23 (Südost-Tangente) in the direction of Prague, and see above for directions from highway A23.

From Highway A22 (Donauufer-Autobahn)

Take the exit Reichsbrücke. This takes you to the Lassallestraße. The building is on the right-hand side.

Parking:

Behind the back of the building in the Walcherstraße (parallel to the Lassallestraße) you can park for free on the "ÖBB-Privatgrund".

From the Highways

On Lassallestraße get into the right lane. Directly after company headquarters turn right into the Ernst Melchior Gasse.

At the end of the street you come directly to the private property of the ÖBB. At the entrance drive slightly to the left and then right. At the gate press the round button of the intercom. You will be connected with the reception, which can open the gate.

From the City Center

Turn left at the intersection/light directly before company headquarters into the Ernst Melchior Gasse, and see directly above to finish reading instructions.
